

Together is better

Relying on each other, we make a better way

When people rely on each other, they draw strength from one another. That's why at MassMutual®, we “Live Mutual”—it's a strong belief that doing business the right way leads to long-lasting relationships with the communities we serve. Because what matters most to you, matters most to us.

A mutual company dedicated to its policyowners and customers

Our commitment to you continued in 2024 as MassMutual again paid out a dividend to eligible participating policyowners. Dividends have been paid out every year since 1869¹.

MassMutual's vision is financial well-being for all Americans

Supporting this vision, the MassMutual Foundation fuels initiatives that increase financial resilience within our communities and fosters a culture of community engagement for MassMutual's employees and affiliated financial professionals. Two of our proprietary national programs, FutureSmart^{SM*} and LifeBridge^{SM**}, contribute to our success.

Living Mutual is our commitment to you

Our firm has made the same commitment to having a positive impact as MassMutual. Local families, residents, and businesses rely on us to help them secure their financial futures, and our community involvement is deeply important to us. Our time and resources invested are one more reason why we've earned the trust from so many in this area.
